NHTC Feed Letter Of Guarantee

All products manufactured/mined by Harvest Fuel , Inc. (SweetPro), Cattleman's Choice Mineral, and Redmond Natural Trace Mineral are manufactured/mined in accordance with FDA's CGMP Regulations for Feeds (Parts 210 & 225) and all requirements of applicable federal and state laws. The Redmond Natural Trace Mineral salt, natural salt block, and conditioner are ORMI certified.

Products purchased by Agri-Best Feeds are free from *added hormonal growth promotants, antibiotics, and animal protein* as indicated on the feed tag label. All SweetPro and Cattleman's Choice Mineral sales to our customers are recorded and traceable to the batch of product manufactured for the order by the batch number printed on the label.

Sincerely,

Scott Anderson
